AUSTRALIAN OPEN 2010 Qualifying

CONDITIONS OF PLAY – QUALIFYING FOR THE AUSTRALIAN OPEN 2010

CONTROLLING BODY: Male qualifying: Royal Victorian Bowls Association Inc.
Female qualifying: Victorian Ladies Bowling Association Inc.

EVENT: **QUALIFYING EVENT FOR THE AUSTRALIAN OPEN 2010**

DATES: From Wednesday 10th February to Friday 12th February, 2010

VENUES: Various Clubs in the City of Greater Bendigo.

ENTRY CONDITIONS:

Open to all bowlers affiliated with a State or Territory Association, that is affiliated to Bowls Australia or affiliated to an international body that is a member of World Bowls.

Bowlers wishing to enter the event must have completed an entry form and return it to the relevant controlling body along with the relevant entry fee by the close of business on **8 January 2010**. Late entries will not be accepted into the event but placed on waiting lists should withdrawals occur. Waiting list will be prioritised based on time entries are received.

ELIGIBILITY:

As a condition of entry to compete in a Bowls Australia event, all competitors must:

- (a) not be currently under disqualification or suspension by their state/territory association or their national authority;
- (b) satisfy the eligibility criteria of the member state/territory association;
- (c) comply with all applicable rules and regulations of Bowls Australia and the Bowls Australia anti-doping code.

FORMAT:

All events will be played in sets play as outlined in Law 15 of the Laws of the Sport of Bowls.

- **SINGLES:** Four bowls per player, two sets of nine ends, with a time limit of two(2) hours per match (not including trial ends).
- **PAIRS:** Three bowls per player, two sets of nine ends, with a time limit of two(2) hours and thirty(30) minutes per match (not including trial ends).
- **TRIPLES:** Two bowls per player, two sets of nine ends, with a time limit of two(2) hours and thirty (30) minutes per match (not including trial ends).

Time limits will apply to all games for all disciplines, with the exception of the finals. No time limit will apply for quarter finals, semi finals & final games.

A signal will be given five minutes before the time fixed for starting each session. Any player/team arriving 15 minutes after the starting time shall lose the right to play trial ends. Any player/team arriving at the green more than 30 minutes after the official starting time shall forfeit the game and the points for that game or not progress through to the next round.

Pace of green shall be determined before play on each day by the green keeper and an Umpire who shall then post that information in a prominent place at the venue.

TIE-BREAKER:

1. If a game is tied after the two sets have been completed (each player having won one set or both sets having been drawn), a best-of-three-ends tie-breaker should be played to decide the winner.
2. The tie-breaker will be decided by the highest number of shots won in the three ends.
3. There should be no further play in the tie-breaker if, at any point, it becomes impossible for one player or team to draw or win the tie-breaker, given the number of ends left.

4. If the third end of a tie-breaker has been completed and the scores are still level, the players should play a fourth tie-breaker end to decide the winner.
5. If the fourth end of a tie-breaker is a tied end, the players will play further tie-breaker ends until a winner is found.

PROCEDURE FOR APPLYING TIME LIMITS:

- Start of Play – Play will commence with the Tournament Director signalling the start time by a bell, horn, etc.
- End of Play – At the completion of the allocated time, the Tournament Director will signal the end time of play by a bell, horn, etc. At this time players will complete the current end they are playing. (The start of an end is determined by the delivery of the jack by the first player in that end).
- Should the result of the game not be determined by the Laws of the Sport the following principles will applied:
 - Sectional Play: Should a set/tie breaker not be completed as per the Laws of the Sport, then the score stands as at the completion of the end in play and the player with the highest number of shots for that set/tie breaker will win that set/tie breaker. In the event that the scores are tied then the tie stands and each player receives one point.
 - Knockout Play: Should a set/tie breaker not be completed as per the Laws of the Sport, then the score stands as at the completion of the end in play and the player with the highest number of shots for that set/tie breaker will win the set/tie breaker. If the final scores are tied, then one additional end is to be played to determine a winner.

TRIAL ENDS:

Two trial ends only will be allowed for all games in accordance with Law 18.1.

FOOTWEAR AND ATTIRE:

As per the Laws of the Sport of Bowls, including Domestic Regulation 5. Footwear must adhere to Appendix A2. Attire must adhere to Appendix A3 and the BA logo policy. This policy is available on the Bowls Australia web site www.bowlsaustralia.com.au. The new attire policy is effective as of February 1, 2010.

The new compliance rules will be enforced for the Australian Open. Failure to adhere to the BA Logo Policy will result in the offending player being given a verbal warning by the convening match umpire which will be lodged and recorded with the tournament director. The offending player will then be provided up until the forfeit time of their subsequent game to comply with the BA Logo Policy. Failure to comply by this deadline will result in the offending player being disqualified and the game forfeited to their opponent.

STAMP ON BOWLS:

All bowls used during the event must carry a current World Bowls stamp of the current year or later. Random checking of bowls may occur prior to the commencement of games. Bowls Australia's bowls testing policy is available on the Bowls Australia web site www.bowlsaustralia.com.au.

Players requiring bowls testing shall be liable for the cost of the test.

ALTERATIONS TO THE FORMAT & LENGTH OF GAMES

- a. The Controlling Body reserves the right to alter the format, times of play and greens to suit local unforeseen circumstances, giving as much notice as practical.
- b. Where a program is interrupted or cannot be completed due to inclement weather or local conditions, the Jury of Appeal may amend the format and length of games to achieve a result or postpone the event where an outcome cannot be achieved.

ARRANGEMENT FOR PRACTICE: See Law 13 of the Laws of the Sport of Bowls

REPLACEMENT PLAYERS

- a. The singles, pairs and triples events shall be played throughout by the competitors whose names appear on the scorecard of the first game. Players may change formations prior to the start of the subsequent game. The Tournament Director must be notified of all changes. Players will be required to complete the relevant paperwork regarding the adjustments made.
- b. A replacement shall be utilised in the following manner:
 1. The team may call upon an affiliated player to replace a pairs or triples team member before the commencement of the event. Substitute players will not be allowed after the team's first match has been started.
 2. Substitute player(s) are not permitted in the singles events.

If the player / team is unable to complete any game already commenced during the competition, then the opponent(s) shall win on forfeit. Points shall be awarded to the winning player/team in accordance with Law 15.3.
