Re: Selection of Pennant Sides for Bowls Victoria Metropolitan Tuesday Pennant 2010/2011

Where a Club has more than one (1) side in the 2010/2011 Bowls Victoria Metropolitan Tuesday Pennant Competition, then the following shall apply:-

- Division 2** No player who has played in Saturday Division 1 or above in the last ten (10) rounds of Saturday Pennant (**including if necessary rounds played last season**) may play in this Division, **EXCEPT if it is the Club's highest side.**
- Division 3** No player who has played in Saturday Division 3 or above in the last ten (10) rounds of Saturday Pennant (**including if necessary rounds played last season**) may play in this Division, **EXCEPT if it is the Club's highest side.**
- Division 4** No player who has played in Saturday Division 5 or above in the last ten (10) rounds of Saturday Pennant (**including if necessary rounds played last season**) may play in this Division, **EXCEPT if it is the Club's highest side.**
- Division 5** No player who has played in Saturday Division 5 or above in the last ten (10) rounds of Saturday Pennant (**including if necessary rounds played last season**) may play in this Division, **EXCEPT if it is the Club's highest side.**

The only exceptions to the above Rule is if the Club has **ONLY ONE** side in the Bowls Victoria Metropolitan Tuesday Pennant Competition.

Clubs may request, in writing, dispensation from the Bowls Victoria Metropolitan Tuesday Pennant Committee for a player or players to play in a Division outside the above rule, eg. If the Clubs highest side is only Division 3 and a player has played Saturday Division 3 or higher. Any pertinent circumstances will be considered by the Committee.

A breach of this Rule shall result in a loss of points and/or shots.

Any protest made under this Rule must be in writing to the Bowls Victoria Metropolitan Tuesday Pennant Committee no later than 7pm on the day of the match, and accompanied by a fee of \$100. The fee will be refunded **ONLY** if the protest is upheld.
