For the inaugural event, STAs are welcome to use players from another state should they not be able to fill their own positions. This must be arranged between the STAs involved.

- (a) not be currently under disqualification or suspension by their state/territory association or their national authority.
- (b) satisfy the eligibility criteria of the member state/territory association;
- (c) comply with all applicable rules and regulations of Bowls Australia and the Bowls Australia anti-doping code.

FORMAT:

All events will be played in sets play as outlined in Law 15 of the Laws of the Sport of Bowls.

- **SINGLES:** Four bowls per player, two sets of nine ends, with a time limit of two(2) hours per match (not including trial ends).
- **PAIRS:** Three bowls per player, two sets of nine ends, with a time limit of two(2) hours and thirty(30) minutes per match (not including trial ends).
- **TRIPLES:** Two bowls per player, two sets of nine ends, with a time limit of two(2) hours and thirty (30) minutes per match (not including trial ends).

Time limits will apply to all games for all disciplines, with the exception of the finals. No time limit will apply for quarter finals, semi finals & final games.

A signal will be given five minutes before the time fixed for starting each session. Any player/team arriving 15 minutes after the starting time shall lose the right to play trial ends. Any player/team arriving at the green more than 30 minutes after the official starting time shall forfeit the game and the points for that game or not progress through to the next round.

Pace of green shall be determined before play on each day by the green keeper and an umpire who shall then post that information in a prominent place at the venue.

1. Qualifying

The format of competition will be conducted by either knockout or sectional play with post sectional knockout play if required. The format of play will be determined by the host controlling body based on the number of entries received in each discipline. The host controlling body will determine the final winners to progress to the Australian Open. The following process will be used to determine the player to progress through to the main draw::

Knockout play

Player(s) or team(s) will be chosen based on the round reached. In the event that one or more players or teams must be selected from a round, players or teams will be ranked based on the criteria outlined in Law 15.3. Only the match where the player was eliminated will be considered. Players or teams will be ranked on:

Sets won

Net set points

Net shots - shots for minus shots against (not including tie breaker ends)

If two or more players or teams are still equal, the above outlined ranking steps will be used for the previous round.

Sectional play

All sectional play will be conducted in accordance with Law 15.3.

In the event that a player or team must be chosen from across multiple sections where post sectional play has not been conducted, the same criteria from Law 15.3 will be used to rank the players or teams. The highest ranked player(s) or team(s) as required will then be chosen.

Allocation of positions per discipline per qualifying event are posted on the Bowls Australia website – www.bowlsaustralia.com.au

2. Australian Open

The competition will be conducted in knockout play. The draw size will be:

	Men's	Women's
Singles	128	64
Pairs	64	32
Triples	64	32

3. Australian Open – Over 60s

The competition will be conducted in knockout play.

4. Australian Open – Under 18

The competition will be conducted in sectional play format followed by knockout finals. Law 15.3 will be used to determine sectional winners.

5. AERF

The competition will be conducted in sectional play format followed by crossover elimination finals. Law 15.3 will be used to determine sectional winners. Playoff will be conducted for third to eighth place

6. Australian Open - Athletes with a Disability

The competition will be conducted in sectional play, with eight sections of four. Each section will consist of four players from different states with the same disability. The breakdown of which states will play in each section will be randomly assigned after entry numbers have been confirmed. In sectional play each player / team will play each other player / team in their section once. The winner of each section will be determined as outlined in Law 15.3 of the Laws of the Sport of Bowls. A knockout final will be held between the winners of each section in the same disability category. Gold and silver medals will be awarded to the winner and runner up. There will be no overall state award.

TIE-BREAKER:

1. If a game is tied after the two sets have been completed (each player having won one set or both sets having been drawn), a best-of-three-ends tie-breaker should be played to decide the winner.
2. The tie-breaker will be decided by the highest number of shots won in the three ends.
3. There should be no further play in the tie-breaker if, at any point, it becomes impossible for one player or team to draw or win the tie-breaker, given the number of ends left.
4. If the third end of a tie-breaker has been completed and the scores are still level, the players should play a fourth tie-breaker end to decide the winner.
5. If the fourth end of a tie-breaker is a tied end, the players will play further tie-breaker ends until a winner is found.

PROCEDURE FOR APPLYING TIME LIMITS:

- Start of Play – Play will commence with the Tournament Director signalling the start time by a bell, horn, etc.
- End of Play – At the completion of the allocated time, the Tournament Director will signal the end time of play by a bell, horn, etc. At this time players will complete the current end they are playing. (The start of an end is determined by the delivery of the jack by the first player in that end).

- Should the result of the game not be determined by the Laws of the Sport the following principles will be applied:
 - **Sectional Play:** Should a set/tie breaker not be completed as per the Laws of the Sport, then

the score stands as at the completion of the end in play and the player with the highest number of shots for that set/tie breaker will win that set/tie breaker. In the event that the scores are tied then the tie stands and each player receives one point.
 - **Knockout Play:** Should a set/tie breaker not be completed as per the Laws of the Sport, then

the score stands as at the completion of the end in play and the player with the highest number of shots for that set/tie breaker will win the set/tie breaker. If the final scores are tied, then one additional end is to be played to determine a winner.

TRIAL ENDS:

Two trial ends only will be allowed for all games in accordance with Law 18.1.

FOOTWEAR AND ATTIRE:

As per the Laws of the Sport of Bowls, including Domestic Regulation 5. Footwear must adhere to Appendix A2. Attire must adhere to Appendix A3 and the BA logo policy. This policy is available on the Bowls Australia web site www.bowlsaustralia.com.au The new attire policy is effective as of February 1, 2010.

The new compliance rules will be enforced for the Australian Open. Failure to adhere to the BA Logo Policy will result in the offending player being given a verbal warning by the convening match umpire which will be lodged and recorded with the tournament director. The offending player will then be provided up until the forfeit time of their subsequent game to comply with the BA Logo Policy. Failure to comply by this deadline will result in the offending player being disqualified and the game forfeited to their opponent.

STAMP ON BOWLS:

All bowls used during the event must carry a current World Bowls stamp of the current year or later. Random checking of bowls may occur prior to the commencement of games. Bowls Australia's bowls testing policy is available on the Bowls Australia web site www.bowlsaustralia.com.au

Players requiring bowls testing shall be liable for the cost of the test.

ALTERATIONS TO THE FORMAT & LENGTH OF GAMES

- a. The Controlling Body reserves the right to alter the format, times of play and greens to suit local unforeseen circumstances, giving as much notice as practical.
- b. Where a program is interrupted or cannot be completed due to inclement weather or local conditions, the Jury of Appeal may amend the format and length of games to achieve a result or postpone the event where an outcome cannot be achieved.
