

**BOWLS**  
VICTORIA

# Bowls is for **EVERYONE** All Abilities

# Bowls is for **EVERYONE**

Bowls is a great inclusive and accessible sport everyone can play, regardless of age or ability.

With modified games and equipment now available, there are very few barriers to participate at any level. Whether you play as an individual or part of a team, it's a very social sport.

Clubs around Victoria are involved in running programs and initiatives specifically for people with a disability, but there is no reason why you can't just join in at barefoot bowls or other club activities.

We can help find the right club for you.

Bowls Victoria run programs each year for specialist & special development schools and have a pathway for specialist schools to playoff in a State Final in December.

Bowls is for **EVERYONE**  
Make it your sport today.

Each year the Integrated Pairs Tournament and the Multi-Disabilities Championships are run, showcasing the best bowlers with a disability from around Victoria.

There are also Victorian State squads for bowlers with an intellectual disability, bowlers with a physical disability, Deaf Bowls Victoria and Blind Bowls Victoria who compete at national level. There is also a pathway to represent Australia at the Commonwealth Games.
