- Players bowl from a mat and aim to get their bowls through the posts and remain in the scoring zone

How to score:

- 6 points** if you get the bowl between the middle posts
- 1 point** for a 'behind' if the bowl goes through the outer posts
- 9 points** if you can land the bowl on the mat behind the central posts to score a 'Super Goal'

Learning outcome:

- Controlling intended line and length

Equipment:

- Mat
- Bowls with bias (3 per participant)
- 4 cones

Tips:

- Challenge players to knock each other's bowls off the "target" mat
- To increase or decrease difficulty:
 - Change the position of mats to alter distance and angle
 - Change the size of the scoring zone
