

Bowls is for  
**EVERYONE**

# Bowls hoops

[www.bowlsvic.org.au](http://www.bowlsvic.org.au)

- Each player has 3 bowls
- Take it in turns to roll bowls from the mat
- Try to roll your 3 bowls into each of the 3 hoops
- Wait until all bowls are rolled before scoring

## How to score:

**20 points** for each bowl that lands in a hoop

**BONUS 40** for landing 3 bowls into each of the 3 hoops

## Learning outcome:

- Controlling intended line and length

## Equipment:

- Mat
- Bowls with bias (3 per participant)
- 3 flat hoops

## Tips:

- Add obstacles (cones) in the front of the hoops
- Include a marker or hurdle to help new bowlers understand where to aim
- To increase difficulty space hoops out over a longer distance
- Challenge players to knock each other's bowls out of the hoops
- Use another hoop as an equipment zone near the mat to return bowls to after scoring is finished
