VICTORIA

Aim

The Bowls Victoria (BV) Teacher Ambassador Program aims to resource, support and recognise teachers who promote bowls in their schools and local community.

What the ambassador program is

The program has been developed to recruit passionate teachers to promote the sport of bowls in their school and local community.

Teachers will implement and run bowls programs for their students, and encourage students to participate in their school sport associations (SSA's) bowls competitions.

Many bowls club's welcome partnerships with schools and allow students to use their facilities for practice sessions, to run school bowls competitions or to borrow equipment.

Why Teachers should register

- Opportunity to teach and promote a fully inclusive sport
