MODULE 1: MANAGE SELF OVERVIEW

Club Coach Course > Module 1: Manage Self Overview **IN PROGRESS**

Your approach to coaching in the club setting may very well determine your success.

This module deals with a number of the concepts you will need to consider to achieve success, but the bottom line will always be to have the players as your focus. Whether you are coaching an individual or a team, treat each player as an individual and identify the best approach to assist them in the learning process.

Work to your strengths while also understanding areas that may require further development!

Learning Outcomes

- Identify the roles and information needs of a Club Coach
- Demonstrate the legal and ethical responsibilities of the club coach
- Review the coaching session

Back to Course **MARK COMPLETE** ✓

- Contact Matt Ottobre at Bowls Victoria if you have any questions.
- You don't need to complete the course all at once, you can always logout and login back in. The course will remember what you have completed.
- Once you have completed the course and obtained 100% on the final quiz you will be able to download a certificate or qualify to complete the on-green training component.
